

OverDrive Mobile Instructions for iPhone, iPod Touch and iPad

Please note: Requires iOS v4.0 (or newer). The OverDrive Media Console app is compatible with the iPad, but is not optimized for it. An iPad specific app will be released in the future.

1. Go to the App Store and search for OverDrive Media Console. Select OverDrive Media Console.
2. Touch the "Free" button on the right side and it will change to "Install."
3. Touch "Install." You will be asked for your password. After it is entered, OverDrive Media Console will install. Open OverDrive Media Console.
4. Touch the "Get Books +" button in the top right. Touch the "Settings" button at the bottom. Touch the "Authorize with Adobe ID" button.
5. If you already have an Adobe ID and password, enter it here. If not, please read the directions below:

Touch the "Get Adobe ID" button at the bottom. Safari will open, and you will be taken to Adobe's website. Touch "Create an Adobe Account." You will be taken to a page where you are asked to supply some information. This is a secure site, but Adobe is not affiliated with the Library. Please fill in the required fields indicated with a red asterisk. When finished, touch "Continue" at the bottom of the page. Exit Safari, open OverDrive Media Console and enter your Adobe ID.

6. Touch "Get Books" at the bottom left. Touch "Add a Website" at the top. Enter "52240" in the "Find a Library:" search field. Touch the "Search" button. Select "Iowa City Public Library" from the top of the list. Touch where it says "Available formats."
7. Touch "Login" in the top right. At the login screen, select your Library at the bottom. Please note: Iowa City, Hills, University Heights, or rural Johnson County residents will select "Iowa City Public Library." Coralville residents will select "Coralville Public Library" and must use their Coralville Public Library card.
8. At the next screen, enter your Library card number and PIN. Touch "Login."
9. From here, search for a particular title or just browse. Pay attention to the grey box below the book cover to see if the title is a MP3 or EPUB. If a title is available, it will say "add to cart" in the grey box. If it is checked out, it will say "place a hold."
10. Once a title is selected, touch "add to cart." Select "Continue Browsing" to check out more titles or "Proceed to Checkout" to check out the titles in your cart. After touching "Proceed to Checkout," touch "Confirm check out" at the bottom of the next screen.
11. Touch "Download." This opens OverDrive Media Console. Select "Download Now" when asked.
12. The MP3 or EPUB will be downloaded directly to OverDrive Media Console.
