4. Touch the "Get Books +" button in the top right ("Menu" button for Android). Touch the "Settings" ("App Settings" for Android) button at the bottom. Touch the "Authorize with Adobe ID" button
5. If you already have an Adobe ID and password, enter it here. If not, please read the directions below:

Touch the "Get Adobe ID" button at the bottom (For Android—if you don't have an Adobe ID, open the web browser and go to: <http://goo.gl/5yFKT>). Safari will open, and you will be taken to Adobe's website. Touch "Create an Adobe Account." You will be taken to a page where you are asked to supply some information. Please fill in the required fields indicated with a red asterisk. When finished, touch "Continue" at the bottom of the page. Exit Safari, open OverDrive Media Console and enter your Adobe ID.

6. Touch "Get Books" ("Menu" for Android) at the bottom left. Touch "Add a Website" at the top. Enter "52240" in the "Find a Library:" search field. Touch the "Search" button. Select "Iowa City Public Library" from the top of the list. Touch where it says "Available formats."
7. Touch "Login" in the top right. At the login screen, select your Library at the bottom. Coralville residents will select "Coralville Public Library" and must use their Coralville Public Library card.
8. At the next screen, enter your Library card number and PIN. Touch "Login."
9. From here, search for a particular title or just browse. Pay attention to the grey box below the book cover to see if the title is an eBook or eAudiobook. Only MP3 and EPUB titles are compatible with the mobile version of OverDrive Media Console. If a title is available, it will say "add to cart" in the grey box. If it is checked out, it will say "place a hold."
10. Once a title is selected, touch "add to cart." Select "Continue Browsing" to check out more titles or "Proceed to Checkout" to check out the titles in your cart. After touching "Proceed to Checkout," touch "Confirm check out" at the bottom of the next screen.
11. Touch "Download." This opens OverDrive Media Console, and your eBook or eAudiobook will be downloaded directly to OverDrive Media Console.

Instructions for returning eBooks early can be found on the Mobile troubleshooting sheet.
