Minutes of the Regular Meeting May 26, 2016

DRAFT

Members Present: Diane Baker, Janet Freeman, Adam Ingersoll, Thomas Martin, Robin Paetzold, Meredith Rich-Chappell, Jay Semel, Monique Washington.

Members Absent: John Beasley.

Staff Present: Maeve Clark, Susan Craig, Kara Logsden, Patty McCarthy, Elyse Miller, Brent Palmer, Angela Pilkington.

Guests Present: None.

Call Meeting to Order. President Paetzold called the meeting to order at 5:02 pm.

Public Discussion. None.

Approval of Minutes.

The Minutes of the April 28, 2016, Library Board of Trustees meeting were reviewed. A motion to approve the Minutes was made by Ingersoll and seconded by Freeman. Motion carried 8/0. Ingersoll asked about John Beasley. Paetzold said she would follow up.

Unfinished Business.

Bookmobile. Craig, Semel and Paetzold attended the City Council meeting at which time Council approved the funding for the bookmobile. Craig invited Antelope Lending Library's (Antelope) director to the Public Libraries of Johnson County (PLJC) meeting earlier this month. Also, Craig posted Antelope's summer bookmobile schedule on the Library's blog about the bookmobile. April 12, 2017, is National Bookmobile Day and we hope to have a bookmobile festival in Iowa City that will include Antelope. Craig asked Board members how involved they want to be in determining the bookmobile stops. There was discussion about the availability of rest rooms, and severe weather access at potential stops. Members suggested retirement facilities, schools, mobile home courts, neighborhood centers as options to consider. Semel said when he spoke to the Mayor he hoped the bookmobile would provide access to underserved areas. Faith Academy and summer camps were suggested by Washington. Freeman asked if we have information about library card users and perhaps the bookmobile could go where people don't use their cards frequently. Craig said maps provided by the consultant showed library card penetration everywhere in Iowa City and it would be difficult to figure out who wasn't using a card. Older and younger people who may have transportation issues are target populations said Craig. Roosevelt School was suggested by Freeman. Martin feels the Board does not need to make the decisions about where the bookmobile goes but needs to be kept involved in why the decision was

made to go somewhere. It is hoped we will be able to be flexible with where the bookmobile will go depending on the time of year, school in session versus summer, for example. Martin said other libraries are watching Iowa City to see how the bookmobile progresses. Craig said we are very excited and ready to get going. Ingersoll was surprised our vehicle does not require the driver to have a CDL. Chassis and weight determine that said Logsdon.

New Business.

Election of Officers. Nominating Committee Chair Martin stated the slate of officers put forward by the Nominating Committee is Semel for President, Washington for Vice President, with Freeman serving as Secretary for a second term. A motion to accept the slate of officers was made by Martin and seconded by Ingersoll.

Motion carried 8/0.

Art Advisory Committee. Paetzold asked how long a term is on the Art Advisory Committee. Craig said three years. A motion to approve the two recommended candidates for the Art Advisory Committee was made by Rich-Chappell and seconded by Martin. Motion carried 8/0.

Amend NOBU Budget. Craig said NOBU expenditures are typically approved in July. However, this year, there is some direct state aid money left and these funds must be used in the year they are received. Craig seeks approval to spend the unused portion of this money to replace our main power backup system and to replace office desk chairs. Freeman asked if the State will require an accounting of how the money was spent. Craig said yes, she provides a report identifying how the money is expended. A motion to approve the use of the Enrich Iowa Funds for the power backup and office desk chairs was made by Ingersoll and seconded by Baker. Motion carried 8/0.

Summer Reading Program 2016. Pilkington demonstrated the Summer Reading Program (SRP) website. Paetzold was pleased to note the logos for program sponsors on the website. Users can register exclusively online this year for the first time. Families and summer camps can be linked this year, which has many advantages in addition to saving lots of time for those who take advantage of it. This year we are using a new program, Beanstack, which also provides book lists for SRP users. Another feature allows users to keep a personal log of all the books read. North Liberty Community Library and Coralville Public libraries are also using Beanstack. We are moving toward being able to gather data uniformly to help share with our schools. There are game cards for participants of all ages which were distributed to Board members. Reading and exercise are components of SRP this year, said Clark. SRP begins Tuesday, 5/31/16. A reminder that Saturday, 6/4 is Children's Day and there will be 14 different organizations which will have booths at the event. There will be entertainment from 10-3. Craig said ICPL participates in the national SRP theme. This provides access to graphics and other features that all libraries can use. Materials are available at a reduced rate because of State Library support.

Staff Reports.

Director's Report. Craig included the article about Charlie Robinson in the packet because he was a great influence on librarianship, and on her, and she wished to share this with the Board. Craig, Logsdon, and Paulios met with Rachel Zuckerman and three other UI students to talk about having graduate counseling students in psychology and sociology help with outreach to homeless individuals who might benefit from counseling. It was suggested that a place might be identified in the library where people could talk to counselors. Craig said having a faculty member involved in the project really helps. We will follow-up if the students are able to organize some hours of service in the fall. Yesterday was our last Music is the Word program. The Catfish Keith finale was last Saturday. Craig said both the

community and staff really embraced this project. It was unlike any other project the library had previously done in its breadth and has been both memorable and successful. ICPL applied for a Convention and Visitors Bureau grant for \$5000 for a Friday/Saturday Family STEAM festival next May with the Downtown District, the Iowa City Community School District, Little Village, Merge, and other partners. We hope to bring the Magic School Bus to Iowa City. CBJ online announced that protostudios was awarded \$1.5M by Iowa Economic Development Authority so the Merge space is moving forward. Merge is hoping for additional money from the federal government.

Departmental Reports:

Adult Services. VITA has been going for 30-some years. Clark said we used to stay open until midnight on 4/15 assisting people with their taxes; we even took the returns to the post office in Iowa City, and later drove them to Cedar Rapids when Iowa City did not stay open until midnight. Now all returns are filed online and it is much more efficient.

Community & Access Services. Craig emphasized how easy it is to use the Summer Library Bus for children and the adults who accompany them to the library during the summer.

Development Office Report. McCarthy thanked Baker, Semel, and Ingersoll for attending the Looking Forward fundraiser. The event was more successful than last year's. The committee will debrief on it tomorrow. It is the summer reading program prize solicitation time and the cash value of the prizes received so far is in excess of \$125,000, said McCarthy. Many sponsors also make cash contributions. Semel asks how many people attended Looking Forward: McCarthy said 92 persons attended this year, and 89 attended last year. She said there were more reservations made last year, but fewer people were present. The presenter said he would be delighted to come back to talk to us and Board members were impressed with his knowledge of the subject and his delivery. McCarthy is working on the packet for the annual meeting. Paetzold asked about Mary Gilbert. McCarthy said the timing for Mary Gilbert's gift was synchronous with when we began discussion about the bookmobile and since she wanted her gift to benefit as many people as possible, this is a good way to honor her and her gift to the library.

Volunteer Recognition. Craig said the Volunteer recognition event was lovely as always.

Spotlight on the Collection. No comments.

Miscellaneous. No comments.

President's Report. No comments.

Announcements from Members. Martin commented on the Bettendorf Library's water pipe break causing \$1M worth of damage. The library will reopen 5/31 with limited access. Martin suggested sending an official note of support and see if there is anything ICPL may be able to help them with. Freeman would like the Board to send a letter to their Board of Trustees.

Committee Reports.

Foundation Members.

Communications. None.

Disbursements.

The MasterCard expenditures for April, 2016 were reviewed. A motion to approve the disbursements for April, 2016 was made by Ingersoll and seconded by Rich-Chappell. Motion carried 8/0.

Set Agenda Order for June Meeting.

Director's Evaluation
Board Annual report.

Adjournment. A motion to adjourn the meeting was made by Baker and seconded by Martin. Motion carried 8/0. President Paetzold closed the meeting at 6:08 pm.

 RE: Annual Report to City

Each year the City asks each board and commission to complete a brief annual report noting accomplishment for the year just ending (July 1, 2015-June 30, 2016), and indicating goals for the coming year. The Library Board reviews their current report (attached) at the June meeting, and provides input on the accomplishment of goals for FY16 and discusses possible goals for FY17. Staff then drafts a report that will be reviewed and approved at the July meeting.

Children's Services Report
Prepared for the Iowa City Public Library Board of Trustees, June 2016 meeting
By Angie Pilkington, Children's Services Coordinator

Staff

I am happy to announce that Mari Redington accepted the open part-time Children's Library Assistant III position. Mari has been with the library in various positions over the last couple of years, most recently as an Hourly Librarian in Children's. She is excited to begin planning programs and helping with volunteers.

Summer Reading

Summer Reading has officially started! We are off to a great start with over 1700 kids signed up in the first week. Our first official kick off to summer was Children's Day. It was a beautiful day out and hundreds of families came out to enjoy a show on the family stage or to stop at one of the many booths we had coordinated throughout the Ped Mall. Our first in-the-library show was very well received. The Elsenpeter Marionettes performed the Wizard of Oz to over 400 children at two different showings. Tween programs have been a big hit, too. The Amazing Race and Popcorn Olympics brought in over 40 tweens each.

Looking ahead

We have a great line up of programs yet to come this summer! Check out our calendars to stop in and enjoy! The quality and caliber of entertainers that we have come is fantastic, and there is nothing like watching a child's face as he stares in amazement at the act in front of him.

I want to thank Patty and the Friends Foundation for their hard work and money contributions for all of our summer programs and prize bags for the Summer Reading Program. Also, we have fabulous prizes to reward the children with from these great sponsors: World of Bikes, City of Iowa City Parks & Recreation, Pizza Ranch, Aspen Leaf, CycloCross, Iowa Children's Museum, Blank Park Zoo, McDonalds, Westdale Bowling Center and Sky Zone. Without their donations our program would not be as successful as it is! Thank you!!

Tween Popcorn Olympics!

Collection Services Department Report

Catalog Update

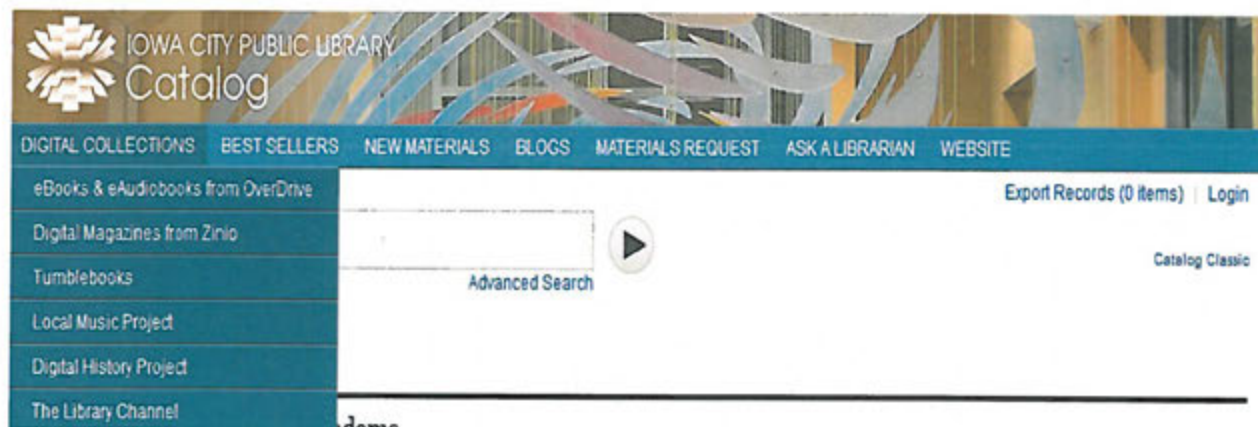

During the last year, staff have looked at ways to enhance the catalog to offer a better searching experience for our patrons. At this time, we offer two catalogs: the older Catalog Classic, an index-based search by title, author, or subject and Encore, a single-keyword search that allows the user to filter down results through categories, including location, year, or format. Encore is the latest catalog product offered by our vendor, Innovative Interfaces, which no longer provides support for Catalog Classic.

We plan to phase out Classic in the next few months. Aside from the lack of vendor support, Classic presents other challenges. Depending on where a patron is in the catalog, they will log into one of two different account interfaces. The layout of each interface is drastically different. The options are different. And you can see what eBooks you have checked out in Encore but not in Classic. Classic also does not support eBook and eAudio check outs, which you can do directly in Encore.

The major issue with Encore is that the vendor limits what we can and cannot modify, but they are allowing more customization with each software upgrade. Last month, we gave Encore a needed new look with a beautiful photo banner at the top. We've also added a menu system that provides everything a patron needs when searching the catalog, including:

- Best sellers
- New materials lists
- Purchase suggestion
- Interlibrary loan
- Ask a librarian

Previously, these options were only accessible to patrons through the top search screen, Catalog Classic, or going to the library's website, making it difficult to navigate this catalog. Now you have all of these options on the search screen, the results page, and the patron account page. Catalog users can also discover other library collections, such as our Local Music Project, Digital History Project, and streaming video from The Library Channel. They also have links to our blogs if they are looking for recommendations or library news. These current changes only impact the Encore side of the catalog.

In developing a virtual branch, we see the catalog as the cornerstone to the new website. As we work to improve what we currently have, we are looking at other options on the market, including open source software. All of these catalogs have their drawbacks and we want to ensure that moving to a new catalog significantly improves our patrons' experience.

INFORMATION TECHNOLOGY REPORT TO LIBRARY BOARD

June, 2016

Brent Palmer, IT Coordinator

Email Archiving

Surprise visit by HRC and then surprise FOIA request by RNC afterwards

This past year, the Library received a Freedom of Information Act (FOIA) request from the Republican National Committee (RNC) for all information surrounding Hillary Clinton's visit. We were able to reliably produce the documents since there weren't that many and the request came fairly soon after her visit. Even if staff had deleted emails, they were still sitting in the deleted folders. Once we "de-duped" and eliminated emails that were unrelated to the Clinton visit, there were only about 250 messages to sift through. But it was still very time consuming.

To make it easier to respond to these kinds of requests, the library is working with the City to archive all of our incoming and outgoing messages. This will be more reliable because emails are archived before they reach a user's inbox and we will not lose deleted messages. The product we are using comes with an improved interface for finding messages in case of a request. As an added benefit, this archiving system provides an extra offsite backup in case of a data disaster. And finally, staff are able to find old emails they may have deleted by using the new system.

eSigns at ICPL

You may have noticed a new eSign in the lobby. We added this sign to alleviate the overcrowding of the bulletin board with all of the posters about our programs and events. There were so many posters, it was getting overwhelming. This eSign shows more posters in a smaller space by periodically rotating them. We are trying out a new system for scheduling the content on the signs that we developed in-house. This new system is much easier to use and will save the Library hundreds of dollars each month.

We have been experimenting with different temporary exhibits on the interactive eSigns to increase interest.

We have been experimenting with different kinds of content on the interactive eSigns in the library. The interactive signs are the larger screens in stands as you enter the library and at the top of the stairs near the Info Desk. Last month, we highlighted the Tornado Exhibit. During Weber days last month, we incorporated a fun Weber Days Quiz. We will be trying out different ideas in the coming months to keep the information on the signs fresh and to encourage patron interest.

In addition, the Library Friends Foundation gave the Library \$13,000 to provide prize books for each child and teen who finishes those programs.

What Happens to Donated Items?

When the year ends on June 30, staff in the Development Office will have sorted through tens of thousands of books, movies, and music donated by our community and ICPL.

Daily decisions are made about whether to try to sell the items at The Book End, or at a periodic big sale in the meeting rooms, or online; or to set them aside for one of the Library's 18 [outreach locations](#); or very occasionally, for consideration to be added to the Library collection. Sometimes, the donated item is too damaged so it goes to City Carton Recycling and eventually becomes interior home insulation.

Items that don't sell are shipped at no cost to the Library to Better World Books. Every quarter, they pay the Library Friends Foundation a commission based on the sales of our books. So far this year, after sending them nearly 25,000 books, which weighed 32,975 pounds, the arrangement has brought in \$1,710 income for The Book End.

By Morgan Reeves, Children's Librarian, Iowa City Public Library

Are you ready for a summer full of spirited competition, displays of athleticism, and fantastic prizes? I'm not talking about the Summer Olympics, I'm talking about the Summer Reading Program taking place all summer long at the Iowa City Public Library.

In honor of the Olympics, the theme this year for all ages is physical fitness and mental wellness. To get started you can sign up in the Library or online at srp.icpl.org. Then go for the gold by checking out some new titles or old favorites. Here are some sporty titles to get you started:

The youngest fans don't have to sit on the sidelines, babies will enjoy the high contrast illustrations in "Baby Loves Sports," by R. D. Rojas and making their fingers into legs as they poke them through the holes in "I Can Play," by Betsy Snyder. Toddlers and Preschoolers can get into the game by checking out some of our new picture book biographies of baseball greats, "I am Jackie Robinson," by Brad Meltzer and "Growing Up Pedro," by Matt Tavares. One of my favorite picture book series, starting with "Dino-Soccer," by Lisa Wheeler, brings together dinosaurs and many different sports in a winning combination.

Kids just starting to read chapter books might try the new series "MVP," which kicked off this spring with its first title "The Gold Medal Mess," by David Kelly. More experienced readers looking for a longer book with a more complex plot should give "The Way Home Looks Now," by Wendy Wan-Long Shang a try. This story follows Peter Lee as he joins a baseball team to help his family deal with the death of his older brother. Kids looking to learn something new will find plenty of interesting trivia in "Wacky Team Sports," by Alix Wood. Here, they'll be introduced to unfamiliar events all around the world, from elephant polo to underwater rugby.

Tweens and teens won't want to miss "Booked," a soccer-centric story in verse, from 2015 Newbery Award winner Kwame Alexander. Teens looking for something to read after "The Hunger Games," should give "Court of Fives," by Kate Elliot a try. This interesting world has political intrigue, strict separation between classes, and a multi-level athletic competition at the heart of the story.

Adults looking for an athletic mystery will want to check out "Brutality," by Ingrid Thoft. This timely mystery deals with the ethics of college sports, particularly the consequences of head injuries for former players. For readers who enjoy statistics and fantasy baseball, "The Only Rule Is It Has to Work," by Ben Lindbergh and Sam Miller is the book for you. The authors were given the chance to run a minor league team according to statistical analysis. This is the story of how well it worked.

If sports and athletics aren't your cup of tea, we have plenty more suggestions every week on our blog at blog.icpl.org/channel/shelves. Or stop in during library hours for more personal recommendations from your favorite librarians. On Your Mark, Get Set ... READ!

Keep Kids Reading All Summer Long by Angie Pilkington, Children's Services Coordinator at the Iowa City Public Library

Did you know that children who read over the summer months are likely to leap ahead when they head back to school in the fall? It's called the Summer Leap. Study after study has shown that students who do not read at least 20 minutes every day over their summer vacation will lose up to two reading levels. This is why the Iowa City Public Library has made summer reading a priority to keep kids skills sharp by encouraging them to read all summer long. To kick summer off for the kid in your life, here are some great new summer reads available at the library:

"Are We There Yet?" by Dan Santat is a hilarious new picture book that is perfect for upcoming vacations. To kids, time can seem to move slowly during a car trip, but what happens when it moves so slowly, it starts moving backward? Suddenly, a drive to grandma's house becomes a trip through history!

"The Thank You Book" by Mo Willems is the 25th and last book in the Elephant & Piggie series. Fans will be delighted by the sweet way Piggie & Elephant thank them for being loyal readers! I might have shed a tear or two while reading!

"The Trials of Apollo" by Rick Riordan is the latest in the series from the Percy Jackson author. Fans of his books won't be disappointed! This time around, readers will get a story about Apollo, who finds himself in New York City as a mortal. In order to get his godly life back in order, Apollo and his new friend, Meg, make their way to Camp Half-Blood. Of course, things do not always go as planned.

"The Misadventures of Max Crumbly" by Rachel Renee Russell, is a great new series about a young guy who is about to face the scariest place he's ever been: middle school. Max Crumbly would like to be like the hero in his favorite comics to help ward off the school bully. Unfortunately, Max's uncanny, almost superhuman ability to smell pizza from a block away won't exactly save any lives or foil bad guys. But that doesn't mean Max won't do his best to be the hero his school needs!

"The Girl In the Well is Me" by Karen Rivers is a fascinatingly well-told story from the point of view of 11-year-old Kammie, who is unfortunately stuck in a well and abandoned there by her new friends who made her stand on top of the old well cover in order to join their club. The book finishes with a great message to the reader: be yourself.

A great book is a summer essential for all: kids and adults! Whether your family is traveling on vacation this summer or sticking closer to home, the season offers wonderful opportunities for readers of all ages to dive into new reads. The Iowa City Public Library has everything you need to get your family ready for summer reading and to leap into the next school year.
