#### DIY HOLIDAY CARD WITH CANVA

Monday, December 2, 6:00pm - 7:00pm

Looking to design your own seasonal greeting card? Have a photo that you'd like to personalize and send to family and friends? In the Digital Media Lab, we will design our own holiday cards using the free online program Canva. Learn how to use this tool to create your own stylish printable greeting cards and postcards. Participants are encouraged to bring a thumb drive with their digital images loaded on it if they wish to use personal photographs.

#### MAKE YOUR OWN 2020 CALENDAR

Monday, December 16, 6:00pm - 7:00pm

Before you shop for a 2020 calendar for your home or office, consider making your own! Learn how to create printable calendar pages featuring your own photos in PowerPoint, the widely-available presentation software that is surprisingly good for simple graphic design projects. While most mass-produced calendars are folded, ours will feature flat sheets held together with ordinary binder clips. Embrace this modern, minimalist look! Participants who bring 12 photos will leave with a free printed calendar (or a template to complete later).

#### DIGITAL MEDIA LAB HELP

Tuesdays & Thursdays, 4:00pm - 9:00pm | Sundays, 12:00pm - 5:00pm

A staff member can help you get started with a project, troubleshoot hardware, or give you an orientation to the room. Stop in to get creative! *No registration necessary.*

### TEENS

#### PUBLISH YOUR WRITING IN THE LITERARY KIOSK!

Saturday, December 7, 1:00pm - 2:00pm, Meeting Room E

What is the Literary Kiosk? The Literary Kiosk is an amazing machine that spits out flash fiction, poetry, and short essays at the push of a button. It lives in the public library and anyone can access it. It's like an arcade game for reading (SPOILER: there are no losers)! How can you get YOUR writing in this incredible device? Come to the teens (grades 7-12) Literary Kiosk writing workshop! Hosted by two University of Iowa students, the workshop will help you turn your literary ambitions into 8,000-character submissions. Join Sarah Weeks and Ajla Dizdarevic for generative writing exercises and on-the-spot work-shopping. Bring your favorite writing medium—pens, pencils, papers, or laptops—and be ready to write. You can also bring a finished 8,000-character submission! Once your piece is ready, you can submit it for publication in the Literary Kiosk—and your friends & family can press the button and hope it pops out! Help us showcase the local writing talent in our city. Join us! For more information, contact Sarah and Ajla at [sarah-weeks@uiowa.edu](mailto:sarah-weeks@uiowa.edu) and [ajla-dizdarevic@uiowa.edu](mailto:ajla-dizdarevic@uiowa.edu). This event is cosponsored by The Iowa City Public Library, the University of Iowa Libraries, the UI Dept of Rhetoric and the UNESCO City of Literature.
