of Original Children's Book Art

*November 15, 1925 - May 17, 1988*

Hazel Westgate was a children's librarian at the Iowa City Public Library for almost forty years. She began collecting original artwork from children's books for the Storytime Room in the Carnegie Library. During her lifetime, she received more than fifty original artworks from well-known children's authors and illustrators. The collection continues to grow and remains on display in the Ellen Buchanan Children's Room at ICPL.

*The Hazel Westgate Collection is a permanent exhibit of original works donated by well-known children's authors and illustrators. It includes sketches, limited edition prints, and signed letters and textiles, among other media, displayed throughout the Children's Room.*
