If you have been to the Library recently, I'm sure you noticed that we have continued to make changes reflective of COVID-19 guidance from local and national sources. We still offer and welcome masks in the building and Bookmobile, but they are no longer required, and all capacity and time limits have been lifted. After months of waiting, your Library is fully open and ready for you!

In addition to the visible changes, we have an exciting update to how we serve our community. Starting July 1, 2022, ICPL will officially be fine-free on all circulating materials! We are proud to announce this change, which is celebrated by not only Library staff and Trustees, but also City Council and City of Iowa City Administration; we collectively hope eliminating fines will bring even more people back to the Library.

Whether you're a current power patron or haven't been to the Library in years, please visit us in-person or online, or give us a call. We can't wait to update you on all the services available at your library and hear your comments and suggestions about what you'd like to see us offer in the future. See you soon!

## Gifts Grow ICPL

Give everyone great library experiences with your financial donation to the Iowa City Public Library Friends Foundation. Every donated dollar makes a difference. Thank you for giving as generously as you can!
